Question: Upon review of the wage scale decision... kindly advise which categories we are to associate our labor activities with: do mechanics receive the same for floors, walls, ceilings. Also how are benefits to be treated ie. No fringes noted.

Answer: As noted in Section I.6. Service Contract Act of 1965, as Amended. The closest fields are Carpenters, Skilled Labor (which is Maintenance Trades Helper) and laborer. It is up to the contractor how you determine you will fill the experience requirement for each division as identified in Section C.1.5. Quality Assurance. Also, according to the wage determination you must provide certain fringes; see appropriate section at end of wages determination.

Question: Can we bid on partial contract requirements?

Answer: No, you must bid on all divisions to be responsive.
